Product description

This elegant lingerie set from SUBBLIME is designed for those looking to combine sensuality and style in a single garment. Composed of a bra, a thong and a garter belt, this set stands out for its classic black design, ideal for any special occasion or to add a daring touch to your intimate collection.

The bra has open cups that delicately enhance the bust, decorated with a flirty black bow that adds a playful and seductive air. Made from 95% polyester and 5% spandex/elastane, it offers a comfortable and flexible fit that perfectly adapts to the curves of the body, ensuring comfort and support.

The minimalist and daring thong complements the design of the bra, while the garter belt adds an irresistible touch of sophistication. This additional detail allows it to be combined with stockings to complete a bold and provocative look, ideal for moments of intimacy or to surprise with impeccable style.

The set is characterized by its soft and slightly elastic texture, making it perfect for fitting without restrictions, providing freedom of movement and confidence when wearing it. Ideal for those who want to highlight their femininity and style with a modern, comfortable and daring design.
