This pump is 140 gr and has the capacity to perfume a large bathtub. Its pleasant aroma provides intensity and sweetness.

It guarantees a pleasant and very relaxing bath, while providing multiple benefits for the skin: softens, tones and moisturizes and produces a sensation of well-being and sensuality. Choose between the 6 soft and delicate aromas available, floral, fruity, sweet, classic... To enjoy your shower, your bath or your SPA moment at home.

The Lavender fragrance is inspired by natural Lavender flowers. A unique and very special flower of the Mediterranean. The Lavender flower has a classic aroma of fresh morning flowers, soap and tradition, purity and well-being. A familiar and country aroma that takes us back to childhood, to the countryside and to the French Provence.

In aromatherapy, the aroma of Lavender is calming and relaxing. Its anxiolytic effect reduces anxiety levels, restlessness and stress-related conditions. It helps to relax the nerves, to fall asleep and to sleep well.

Characteristics: Lavender has a floral, herbal and Provencal aroma that stands out for its wild notes, enriched with expansive fresh aromatic nuances and aniseed and balsamic notes in the background.

If you like the aroma of LAVENDER, you have more options to enjoy it. You can put it in your car, in your drawers and cabinets, on the terrace, in the shower, in your bathtub or in any of your favorite spaces. Discover it here.
