Product description

Aero Silver Ring is a masturbator that has 10 levels of tightening and suction, made with body-safe and waterproof materials.

The rotating platform is equipped with an elastic silicone silver ring incorporated inside, preventing internal air leaks and increasing pleasure and tightening.

Its interior structure is cyclical absorption with sensitive parts, to experience a slow escalation minute by minute. A sensation that envelops the penis from the root to the top, thanks to its spaceship design and completely closed cabin.

Aero Silver Ring includes a 10 ml lubricant sample, its inner sleeve can be easily removed and washed with warm water and PH neutral soap. Only use water-based lubricant with this product. The use of oil-based or silicone-based lubricants could irreversibly damage the product.

Care Guide

Masturbator Guide

Use lubricant for best sensation. Clean after each use (soap and water). Air dry completely before storing.

Heating the sleeve improves realism. Rotate between sleeves to avoid boredom.
