Product description

Introducing the new FLIP O (ZERO) RED set with heater!

This exclusive set is the perfect combination of redesigned soft gel details and pleasant warmth. The dense details are arranged to fit together for a complete envelopment, creating body-like heat for immersive pleasure.

The exclusive FLIP WARMER in this set is a heating device designed specifically for the FLIP series. The high-power heating system uses the thermal conductivity of aluminum to thoroughly heat the entire item, from the insertion point to the innermost depths of the product. With adjustable warmth and the softest feel in the FLIP series, experience complete immersion with enveloping warmth.

Flip 0 Basic Features:

- The pressure pads are soft to the touch.
- Use the pressure pads to change internal pressure, or create suction.
- The seamless insertion point is molded together with the hinge.
- Stronger suction and reduce lubricant leakage.
- Sliding arms are a simple way to keep the item together during use.
- The internal details accentuate the strength of the void.
- High quality materials used to create tight details.
- The flip-up design allows for easy washing, and the sliding arms can be used for drying for hygienic use every time.
- Store the item safely in its storage case.
