Product description

Uniq Air is a new kind of condom made for women who want to take control in their own hands. Female condoms are designed to be retained in the vagina and prevent you from pregnancy as well as from sexually transmitted infections.

Made from non-latex AT-10 materials, female condoms are spermicide-free and compatible with all types of lubricants (Bonus: 3 sachets of lubes are already added). When your partner doesn’t put on a condom – use yours.

Hypoallergenic Uniq Air feminine condoms are very comfortable and can be used even during the menstrual period. And the best part is that your lover won’t even notice that you’re wearing one.
