Product description

The most intuitive We-Vibe® couples vibrator ever, complete touch controls and hands-free vibrations take sex to a whole new level.

ADJUSTABLE

Chorus can be customized to fit the body so you can feel the vibrations right where you want them. It's very easy to adjust, plus, then stays in position once you've found the perfect fit. The Squeeze remote control was designed with the most natural human response in mind. The tighter, the stronger the vibration, and vice versa. When you want a little more (or less) stimulation, it's right there.

CONTROLS

The Chorus controls mean that each partner can find their pleasure point. Touch-sense allows you to control the Chorus vibrations with your movements. By touching or moving against the sensor, the vibration level changes.

PLAY TOGETHER FROM ANYWHERE

The We-Connect™ app lets you play together, even when you're apart. Download the free We-Connect app to unlock Chorus haptic vibrations, long-distance connectivity and more.
Chorus is the first We-Vibe® with AnkorLink™ technology, creating the most stable connection between your Chorus and the We-Connect™ app (so the signal doesn't go out in the heat of the moment).

The Squeeze remote is the anchor between your Chorus and We-Connect™ — keep it close for the best connection.
