Product description

Melt is back in a seductive new color: Midnight Blue!

Let the air take you there with Melt's Pleasure Air technology: pulsating waves of air and gentle suction that lead to mind-blowing orgasms and unforgettable clitoral stimulation. Perfectly shaped for partner play, Melt's slim, ergonomic shape is designed to be held in the hand between partners in any position. Choose from 12 different intensity levels of Pleasure Air depending on mood and position.

It melts with the soft silicone material that is body safe and slides against the body with ease. Do you want to take the couples game to another level? Use the We-Connect app during sex to stay in control of your pleasure – even long distance. Slide Melt right into your luggage and have it ready whenever you want with its convenient magnetic USB charging.
