How to play?

1. Apply a water-based lubricant to the head of the toy and slide it into your anus. If this is difficult, try moving the toy gently, as if slowly putting on a pair of jeans. If you feel If there is any pain or discomfort during insertion, do not force it. This will only make the insertion easier. your body becomes more tense. Relaxing is key.

2. With the toy inserted, rotate it until it feels comfortable in place. Turn on the toy by pressing the control button on its base.

3. Cycle through different vibration pattern modes and intensity levels using the toy's control button, the We-Vibe remote control, or the We-Vibe app.
