Product description

Jive by We-Vibe is a Bluetooth controlled vibrator. It is discreet, silent and comfortable to use. You can control your Jive with the free We Connect app for hands-free enjoyment.

Jive by We-Vibe, is designed to be inserted into the vagina and worn discreetly under your clothing. It's comfortable to use while lying, sitting, standing or walking, and the rumbling vibrations can be controlled by you or your partner regardless of distance with the free We-Connect app.

Powerful vibrations that rumble.

- Intensify the pleasure with more than 10 modes and deep, powerful vibrations.

Waterproof (IPX7)

- Jive is waterproof (IPX7), so you can easily enjoy it anywhere, and it's easy to clean.

Low battery alert

- Find out when your vibrator needs to charge so it's ready when you are ready.

Comfortable design

- Perfectly designed contoured shape, made of silky smooth and body safe silicone.

Rechargeable

- Practical and eco-friendly, Jive is rechargeable and offers up to 2 hours of play on a single charge. No need for expensive disposable batteries.

We-Connect™

- With the free We-Connect™ app you can play and share control of Jive from anywhere, create custom vibrations, and play together with other We-Vibe® products.

Includes :

- USB cable for charging via any commonly available USB port or USB power adapter (not included)
- Quick Start Guide Illustrated instruction manual in multiple languages
- WE-CONNECT™ Enjoy vibrations when you connect Jive to your smartphone.
