Product description

Go beyond the classic rabbit vibrator – in this seductive midnight blue color!

We-Vibe's newly improved Nova features two motors: one for internal G-spot stimulation and one for external clitoral stimulation. Together, the two stimulators work to create a satisfying and stimulating combined orgasm you will never forget! Paired with its clever ergonomic handle, Nova flexes with your every move and makes "me time" more enjoyable. easier on the user's wrists.

With incremental cruise control in the driver's seat, enjoy a personalized experience that only you or your partner can create. Have fun with your partners while they touch, tease and excite you by connecting to the We-Connect app and controlling the toy from near or far.

Made of premium silicone material, the seamless design of this product provides a silky smooth touch when it comes into contact with the skin. Don't be afraid to take the Nova with you to the bathtub for a seductive soak, as it's IPX7 waterproof.

When the Nova needs a charge, snap the magnetic charging port into place and let it rest for its next sexy session.
