Product description

WEARWATCH EGG , Don't be fooled by its small size, it is designed to surprise you. AD EGG is discreet, powerful and incredibly smooth. Contoured exclusively for your vulva, so you can play with its tip and edges, your lips and your pleasure points. Its extra layer of velvety silicone will become your clitoris's new favorite texture, plus it's soft!

This vibrator is made of flexible medical silicone and can be placed comfortably and softly on the skin. The special thing about this sexual well-being product is the wireless remote control, with which you can easily control the pleasure from the watch without having to break the state of arousal. You can select from 7 exciting vibration programs with different degrees of intensity.

Characteristics

- USB rechargeable
- 7 Vibration Modes
- Intensity control in each mode
- Remote control watch WATCHME technology
- Contoured to precisely stimulate your pleasure points
- Suitable for internal and external stimulation.
- 100% waterproof for easy cleaning and hotter than hot baths
- 100% vegan vibrator

Promising toys in bright colors that also deliver what they promise: innovation, new experiences and joy, whether alone or as a couple. The European lifestyle brand represents modern concepts and toys for adults with attractive design elements. Aesthetics and function go hand in hand here.

WEARWATCH not only wants to make simple sex toys, but also improve the interpersonal experience. A high goal that is constantly being achieved. All toys are high quality and add fun and variety to every bedside drawer.

BE HAPPY

Our toys are colorful and come in all sizes and include WATCHME technology. They represent free, playful and passionate sexuality, for all sexes, genders and orientations, whether they are alone, together, in bed, in a bathtub or in a car. The important thing is to feel good, laugh and have a lot of fun!

There are so many ways to get turned on. That's why we make a selection of exclusive toys! We hope to help you explore your desires, change your habits, and stay open to new things. We champion sex toys that do more than get rave reviews and make people happy. We want to satisfy you in every way. Because life is too short to not have really fun sex!

4 possible colors and ways to combine them culminate our goal of BE HAPPY, are you going to the gym? Take the

combination with a Pink or Green watch. Are you going to the movies or dinner? Grab the watch combination in White or Black. Do you wake up Happy? Pick bright colors, do you have a neutral day? Take the white or black.... Your mood determines the fun in sex.

WHY USE WEARWATCH?

We give you reasons why we are here, and why we launch a brand for everyone and all lifestyles.

Day after day, we've put everything we know into our products. WEARWATCH is born from the philosophy of life, joy, sex and complicity. All our knowledge, skills and experience. Our name says it all: WEARWATCH is synonymous with high-quality toys that keep you coming back... coming back for more. To make that happen, we are always trying new things. We learn, innovate and research new techniques every day. Creating a new engine or program is about finding the right stimulation to suit any mood, hotspot, or body in ways that speak for themselves.

We love our work that's why you should know that WEARWATCH is assembled in Seville. love and attention to assemble the final product that ends up in your hands. All the processes, the design work, the equipment, the manufacturing and the positioning, we do it all here in one place because it's our goal, because we love creating our toys and we hope you love them as much as we do.

Now let's talk about what's new in WEARWATCH.

WEARWATCH toys include WATCHME watch technology, with the watch included and ready to use with or without the remote control. But what is this technology?

It is a smart sex watch that will help you control WEARWATCH sex toys. We can synchronize them with sex toys that use watchme technology to control the vibrations and functions of our sex toy.

Functions of a WATCHME watch

In a WATCHME watch there are some outstanding functions that we will detail:

- Activate/Deactivate vibration.
- Modify vibration modes
- Modify the intensities in each vibration mode.

But are WEARWATCH toys waterproof?

Yes, of course, it is waterproof and will be your perfect companion both in a romantic hot tub and under the comfortable sheets at home. The underwater vibrations of this fun companion are perceived by many couples as particularly intense.
