Completely elegant in Gold and Lilac color, this rechargeable vibrator is made of soft and silky silicone that respects the environment, free of phalates, and respectful of your skin.

- Measurements; 19.7 x 3.2 cm
- 2 Engines
- Silent and discreet
- Powerful
- 10 vibration modes.
- Easy-to-use keys.
- Charge indicator
- Materials that do not irritate the skin
- Approximately one hour of uninterrupted pleasure at the highest intensity
- 2 years warranty.

Sunny is smart vibration! 10 vibration modes from soft to strong transmitting powerful low-frequency vibrations.

- 100% rechargeable battery.

Sunny is completely submersible perfect for use in Spa or Shower.

A perfect playful vibrator that promises you immediate satisfaction.

Instructions for use;

- Press the button for 3 seconds. and it will activate the vibration in mode 1, then press again to go through the 10 appetizing modes of vibration.
- Press to reduce vibration modes. Press for at least 3 seconds to turn off the vibrator.

Light Indicator;

- When the vibrator is running you will see a white led light on the vibrator.
- When the vibrator is off, no led lights will stay on behind the buttons.
- When inserting the charger cable, the vibrator will have a flashing white led light.
- When the vibrator is charged, the light stays fixed.

Load

The vibrator is rechargeable and allows comfortable handling, without annoying cables. Before using it for the first time, you must fully charge it. Use the included USB charging cable for this. Insert the plug of the USB cable into the charging

connection hole. Plug into the power with a connector or to the computer via USB. While the massager is charging a light will be in intermittent mode, once the charge is finished the led light will remain fixed.

Warning : the first charging process can take up to five hours.

Problem solving

In the event of errors or operating difficulties related to the operation of the Sunny, press the power button for 5 seconds. If the product still does not work, please contact; service@womanvibe-toy.es

Elimination

Disposal of electronic devices must be carried out in accordance with the regulations for hazardous waste in force in the European Union and other European countries or according to local regulations. Please follow your country-specific waste disposal regulations and, if in doubt, ask your dealer about disposal options.
