WUG GUMS, a chewing gum for every moment of life

ABOUT WUG GUMS

At WUG, we respect everyone's lifestyles and eating habits. Over the years, we have perfected our formulas so that you can have a great flavor gum, made with ingredients of the highest quality, that are gluten-free, lactose-free, suitable for vegans and without added sugars.

You may wonder, why a chewing gum? Because when chewing, the active ingredients are assimilated through the buccal mucosa, achieving an instant effect. The rest of conventional products: drinks, gels, bars, shots, etc., need the digestive process for their correct assimilation and this implies a delay of 30 or 40 minutes with respect to the effect provided by any product of the WUG range.

Brand characteristics

Brand characteristics: selected WUG products available at Sforne with discreet delivery and clear product information.

Safety

Ingredients & Safety

All our products use body-safe, tested ingredients. Look for "hypoallergenic" and "glycerin-free" options for sensitive skin.
