Product description

SHEQU vibrating vagina-shaped handheld masturbators are designed to offer an intense and realistic pleasure experience, combining a smooth, detailed texture with powerful vibrations that increase stimulation. Made with hypoallergenic medical-grade silicone, these sex toys provide a natural and enveloping sensation, perfect for those seeking more pleasurable and varied masturbation.

Key Features:

- Ultra-Realistic Design: Each SHEQU masturbator has been molded with precise details to mimic the look and feel of a real vagina. The entrance is smooth and narrow, with well-defined lips and a tunnel. internal that simulates the texture of the vaginal walls with different reliefs and pressure points.
- Powerful vibrations and customizable modes: Unlike traditional masturbators, these models include a vibrating motor with multiple intensities and vibration patterns. This allows for deeper and more enveloping stimulation, intensifying the pleasure with each movement.
- Stimulating internal texture: The internal tunnel is designed with ridges, nodules, and suction chambers that increase friction and the sensation of pressure around the penis. The vibrations are distributed along the canal, creating an even more realistic and satisfying experience.
- Medical-grade silicone material: The silicone used is ultra-soft, elastic, and completely safe for the skin. It adapts to different penis sizes and retains body heat, offering an even more natural experience.
- Suction and pressure mode: Some models feature a design that allows for a vacuum effect, increasing the suction sensation. By combining this effect with vibration, a more intense and realistic level of stimulation is achieved.
- Rechargeable battery and wireless use: Equipped with long-lasting batteries, these masturbators are easily recharged via USB and offer several hours of continuous use. Forget about batteries and enjoy the convenience of a toy always ready for pleasure.
- Easy to clean and maintain: Thanks to their detachable design and waterproof material, these masturbators can be easily washed after each use. Simply remove the inner sleeve and clean it with warm water and mild soap to ensure optimal hygiene.
- Ergonomic and discreet design: Its compact size and lightweight construction allow for a comfortable and firm grip. Plus, the vibration motor is quiet, making it a discreet toy thats easy to store or transport.
