### Product description

The realistic dildos from the **XISE** brand is a toy designed to offer an intensely realistic and immersive pleasure experience. Equipped with automatic thrusting movement and a powerful vibration system, this dildos combines advanced technology with an anatomically precise design to simulate authentic and stimulating penetration.

Made with high quality TPE silicone, its soft and flexible texture imitates the sensation of human skin, providing a pleasant and natural contact. Its ergonomic design with a suction cup base allows it to be used in different positions and surfaces, adapting to any preference. Ideal for both solo and couple use, this masturbator is the perfect option for those looking for a realistic, hands-free, and highly pleasurable experience.

### Key Features

- Realistic and Ergonomic Design: Anatomically accurate shape, with a defined glans and pronounced veins for an authentic experience.
- Medical-grade TPE silicone material
- Flexible and elastic texture that adapts to the body for comfortable and natural penetration.
- Thrusting System automatic thrusting movement: Internal mechanism that simulates the penetration movement, replicating a realistic and pleasurable experience. Different thrusting speeds, adjustable according to the desired intensity. Fluid, synchronized movement, providing natural stimulation.
- High-performance motor, with intense vibrations that increase stimulation. Various vibration patterns, from gentle pulsations to deep vibrations.
- Easily charged via USB, ensuring long battery life.
- Flexible dildos, adaptable to different positions without losing stability.
- Easy to clean and maintain
- Waterproof, allowing for easy cleaning with warm water and mild soap.
- Compatible with water-based lubricants for a better experience and material preservation.

### Benefits of the realistic dildos with thrusting and XISE vibration

- Realistic design with precise anatomical details.
- Automatic thrusting system, which simulates the movement of real penetration.
- Powerful vibration with multiple intensities and patterns.
- Ultra-soft TPE silicone material, safe and durable.
- Suction cup base for hands-free use and greater stability.
- Long-lasting rechargeable battery.
- Ergonomic design and harness compatibility.
- Easy to clean and maintain in perfect condition.
- A realistic and innovative pleasure experience

The **XISE** realistic dildos with thrusting and vibration is the perfect option for those looking for intense, hands-free,
