Product description

The Maya Sucking by **XISE** is a realistic masturbator with advanced suction and vibration technology, designed to offer an immersive and pleasurable experience. Weighing 4.5 kg, it provides a stable and realistic feel, allowing you to enjoy it without having to constantly hold it.

It features two realistic entrances, a vagina and an anus, both with stimulating internal textures that mimic the sensation of real penetration. Its adjustable suction system simulates a captivating sensation, intensifying every movement. Plus, its multi-mode vibration motor allows you to customize the intensity and rhythm of pleasure.

Made with high-quality TPE silicone, it's soft, stretchy, and body-safe. Its ergonomic design allows for use in different positions for a more versatile experience. It's easy to clean thanks to its non-porous, water-resistant material.

Main features:

- Realistic Double Entry: Vagina and anus with stimulating internal textures.
- Adjustable suction: Simulates a surround sensation for greater pleasure.
- Powerful Vibration: Multiple customizable vibration modes.
- Safe and Soft Material: High quality TPE silicone.
- Weight of 4.5 kg: Greater stability and realism.
- Easy to clean: Water resistant and easy to maintain.
- Measurements: 26 cm long and 23 cm wide

The Maya Sucking by **XISE** is ideal for those looking for an intense and realistic experience, combining textures, vibration and suction for unparalleled pleasure.
