Product description

The **XISE** Realistic Dildo Masturbator with Frontal Thrusting Anal is designed to provide an intense and realistic pleasure experience. Its anatomical design simulates a human body in an erotic position, with a detailed anal entrance and a built-in realistic dildo for double stimulation. Thanks to its automatic thrusting system, the toy recreates the penetration movement effortlessly, allowing you to enjoy enveloping and natural sensations. Made with high-quality TPE silicone, its soft and elastic texture imitates human skin, providing a pleasurable and authentic experience.

Key Features

- Realistic Design with Posture Front: This masturbator has been designed with a frontal position, offering a stimulating visual and tactile experience. Its structure includes: Integrated realistic dildo, with detailed anatomical shape for pleasurable penetration. Tight and textured anal entrance, which imitates the sensation of real penetration. Soft and elastic surface, with anatomical details that increase realism and stimulation.
- Medical grade TPE silicone material:Made with ultra-soft, phthalate-free TPE silicone, safe for the skin and highly durable. Its flexible and elastic texture provides a natural feel similar to human skin.
- Hypoallergenic material that warms easily upon contact with the body for greater realism.
- Dual stimulation: dildo and anal canal
- Thrusting technology recreates a realistic penetration motion. Various speeds and intensity levels allow you to customize the experience according to your preferences. Fluid, synchronized movement with the dildo for optimal stimulation.
- Stable, multi-position design: Its weight and stable base allow it to be used in different positions without having to constantly hold it. It can be placed on a flat surface or fixed at different angles for greater versatility.
- Long-lasting rechargeable battery: Easily charged via USB, offering extended battery life.
- High-performance motor with low power consumption and quiet operation.
- Easy to clean and maintain:Waterproof, allowing for quick cleaning with warm water and mild soap.
- The use of water-based lubricants is recommended for a better experience and to preserve the quality of the material.
- It should be completely dried before storing it in a cool, dry place.
- Measurements: 24 cm long and 19 cm wide
- Weight: 2150 g
- Dildo length: 20–25.5 cm
