Product description

XISEs realistic multi-position vagina and anus masturbators are designed to offer a realistic and immersive pleasure experience. These sex toys stand out for their detailed anatomical design, their versatility for different positions, and their manufacture with high-quality materials that replicate the softness and elasticity of human skin.

Key Features

- Hyper-Realistic Design:Molded with precise details to imitate the appearance and texture of a real vagina and anus.
- Double Penetration Channel:
- Vagina: Tight entrance with a textured internal tunnel that simulates real penetration.
- Anus: Tighter canal with a different texture for greater pressure and stimulation.
- Stimulating Internal Texture: Both canals are designed with ridges, nodules, and suction chambers that increase friction and the feeling of pressure around the penis.
- Medical-Grade TPE Silicone Material: The texture is ultra-smooth, stretchy, and completely body-safe.
- Design Multi-position: Its structure allows it to be used in different positions, resting on flat surfaces or held in the hands.
- Use with lubricants: The use of water-based lubricants is recommended to enhance the experience.
- Easy to clean: It is removable and waterproof for easy hygiene.
- Realistic weight and size: Provides greater stability and a sense of realism during use.

Benefits:

- Hyper-realistic sensation with double penetration channel
- Soft, elastic, and safe material
- Multi-position design for greater versatility
- Stimulating internal texture for more intense pleasure
- Easy to clean and maintain
- Realistic size and weight for an immersive experience

XISEs realistic multi-position masturbators are designed to offer a pleasurable and versatile experience, allowing you to enjoy intense and personalized stimulation.
