Product description

The **XISE** brand realistic female torso is designed to offer a hyper-realistic and immersive pleasure experience. Made with high-quality materials, this masturbator features a texture similar to human skin, with precise anatomical details that mimic a real womans body. Its compact design and realistic weight allow for a more natural and versatile experience, ideal for those looking for a sex toy that simulates an authentic sensation.

Key Features

- Hyper-realistic design with anatomical details: The XISE female torso has been precisely molded to replicate the appearance and Real-body feel. It features soft, moldable breasts, a defined waist, and a naturally curvy body.
- High-quality TPE silicone material: Made with medical-grade TPE silicone, this toy is ultra-soft, stretchy, and body-safe. The synthetic leather texture is soothing to the touch and warms with use for an even more realistic experience.
- Vagina: Designed with a tight entrance and a textured internal tunnel that simulates the sensation of real penetration.
- Anus: Tighter canal with a distinct texture, designed for greater pressure and stimulation.
- Realistic Internal Texture:Both canals feature ridges, nodules, and suction chambers that increase friction and the tight feeling around the penis.
- Multi-position design: Thanks to its balanced size and weight, the torso can be used in different positions for a more personalized experience. It can be placed on a flat surface, held in your hands, or fixed at specific angles to simulate different sexual positions.
- Realistic Weight and Stability : Unlike small masturbators, the XISE torso has a considerable weight, providing greater stability during use and a more immersive feel.
- Realistic, Moldable Breasts : The breasts are designed to be soft and squeezable, providing a pleasurable tactile experience during manipulation.
- Use with lubricants for greater realism : The use of water-based lubricants is recommended to improve the gliding experience and increase the sensation of pleasure.
- Easy to clean and maintain: The materials used are waterproof and allow for easy cleaning after each use. Simply rinse with warm water and neutral soap and allow to dry completely before storing.
- Discreet and portable design: Although it is realistic in size, its compact design allows it to be easily stored in a private place when not in use. in use.
