Product description

Anal Relax Gel, a relaxing gel of the new XPOWER brand, is a gel that facilitates anal penetration thanks to clove leaf oil and oats.

The smothering gel developed by Labophyto has a double benefit: it is hydrating and relaxing at the same time, for a safe and soft penetration. Its smooth texture is water based and specifically formulated for anal play. Further its condom friendly composition is a true benefit great for beginners as well as experts.

- Gel Relaxing anal gel (60 ml)
- The soothing gel is ideally suited for an easy and painless anal penetration, for both women and men.
- Diversify the pleasure without any pain.

Highlights:

- Clove oil extract cools and soothes the skin Oat reduces skin sensitivity

Directions for use:

- To be used prior to sexual intercourse. Apply a thin layer of the gel on the desired area and massage it into the skin. Test for skin sensitivity before using on a regular basis by applying a small amount to your forearm. If an allergic reaction occurs, discontinue use. Keep out of reach of children. Store in a cool dark place. Can be used with condoms.

Net volume:

- 60 ml
