Product description

Penis Size Caps of the XPOWER range is a food supplement developed by Labophyto, based on natural ingredients to improve erections.

Penis Size Caps of Labophyto helps you to increase the size and the volume of the penis. Indeed, its formula containing lovage, black pepper, boswellia, and melilot reinforces the sexual power and helps to improve the blood flow, especially in the penis. Thus, thanks to Penis Size Caps the size of the penis is increased.

- Improves erection and increases penis size
- 60 vegetal capsules

Highlights:

- Penis Size Caps helps not only to increase the size of the penis, but also to strengthen virility and sexual performance and desire.

Penis Size Caps are based on the following natural ingredients:

- Ginseng helps to improve the erection.
- Lovage helps to strengthen sexual power.
