Product description

Labophyto presents Silicone Lube, the silicone lubricant of the Xpower range. With its soft and silky texture, it allows an absolute comfort for amplified sensations. Not being absorbed by the skin, this product promises a continuous slip to benefit from the pleasure of the sexual relations without interruption on a long duration. A good lubrication during your sexual intercourse is guaranteed and your skin is respected thanks to the hydrating composition of the product. Thus, it can participate in reducing vaginal dryness.

The Silicone Lube of Xpower range is the refore an excellent product to:

- Enjoy your sexual intercourse for a long time thanks to the silicone texture
- Have lubricated sex in the shower
- Stimulate the senses and intensify the pleasure with its silky texture
- Hydrate the skin and respect it during your intercourse

Directions for use:

Apply the Silicone Lube from the Xpower range to the chosen part of the body. Spread it easily thanks to the silicone texture of the product. Can be used with a latex condom. Is not compatible with a silicone sextoy.

Net weight:

100 ml

Ingredients:

Cyclopentasiloxane, Dimethicone

Before using the lubricant on a regular basis, apply a small amount to your forearm. If an allergic reaction occurs, discontinue use. Keep out of reach of children. Store in a cool, dark place. After opening, use within 12 months.

Compatibility

Silicone Lube Guide

Silicone lubes are waterproof – perfect for bath, shower, or pool. They do not wash off easily, so expect long-lasting glide. Some people find them difficult to clean up.

Our silicone lubes are body-safe, odorless, and tasteless – ideal for all types of play.
