Product description

The White Intimate Cream from the Xpower range manufactured by Labophyto is specially designed for intimate areas. It allows you to lighten the areas you want, such as around the anus, while moisturizing your skin. With its high quality ingredients, it ensures a noticeable whitening and also helps prevent potential pigmentation and age spots. This cream helps you to have an even complexion in the intimate parts or other, while hydrating them.

The White Intimate Cream from the Xpower range contains the following active ingredients:

- The extracts of Bellis Perennis flowers allow to lighten the skin and to erase the pigmentation, age spots and freckles.
- The Glycyrrhiza Glabra root extracts help to prevent the different types of skin spots and contribute to form a smooth and even complexion.
- Vitamin C helps to reduce pigmentation and to even out skin tone.
- Butyrospermum Parkii butter contains vitamins A and E, minerals and essential fatty acids to nourish and moisturize the skin.
- Prunus Amygdalus oil is an effective solution to have a smooth skin by preventing roughness and imperfections of the skin.

Directions for use:

Apply the White Intimate Cream from the Xpower range to the areas of the body you wish to lighten. Then spread it easily thanks to its soft and light texture guaranteeing a fast absorption without sticky effect.

Net weight:

100 ml

Ingredients:

Aqua, Cetearyl alcohol, Glycol Stearate, Sorbitol, Phenoxyethanol, 3-o-Ethyl ascorbic acid, Isopropyl myristate, Sodium cetearyl sulfate, Sodium lauryl sulfate, Benzoic acid, Allantoin, Tocopherol, Dehydroacetic acid, Ethylhexylglycerin, Triethanolamine, Glycine soja oil

Before using the cream on a regular basis; apply a small amount to your forearm. If an allergic reaction occurs, discontinue use. For external use only. Keep out of reach of children. Store in a cool dark place
