Product description

Bess just got even better! With added anal beads attachment and heating function, take sensual self-care to the next level. Bess 2 comes with multiple head attachments for customized pleasure whether you're looking for pinpointed stimulation or g-spot targeting, or anywhere internally.

Bess offers the most targeted stimulation thanks to its innovative DirectPower technology. Harnessing its powerful vibrations into its pinpointed design allows users to focus on sensitive erogenous zones. With motor revolutions up to 10,000 times per minute, Bess delivers orgasmic results.
